

Wall Bracket CUB Square IP54 GU10 2x4.50W up-down Anthracite

Dopo

Cub family, an outdoor wall light that offers a versatile and discreet solution for architectural lighting. Its compact, cylindrical design is available in two versions: downward or bidirectional lighting. Made of aluminum and available in white and anthracite finishes, it integrates easily into both modern residential environments and classic or technical styles. It features a GU10 socket compatible with LED bulbs up to 4.5W, also available with a double GU10 socket. IP54 protection rating. Bulb not included. Available in two sizes (96 mm and 164 mm). Its clean, compact, and functional design makes it an excellent option for discreet, efficient, and configurable outdoor lighting.

GENERAL DATA
