WallMax Compact Open Face

WCOP Series

Fixture with Wire Guard

Fixture with Visor

Product Description:

The WallMax Compact Open Face Wall Pack is a smaller version of our standard WallMax Open Face Wall Pack. Like it's larger sibling, it offers many field-selectable CCT and wattage options. For controls it includes a photocell standard with an on/off switch to empower the customer with the option to engage the dusk to dawn feature. Available in 5 wattages covering 28W - 120W. it provides a value solution for standard wall lighting applications.

Features:

- CCT selectable between 3000K, 4000K or 5000K
- Photocell with on/off switch included standard
- 4 conduit holes (one on each side) for surface conduit applications

Construction:

- Rugged die cast housing with corrosion resistant polyester powder paint finish
- Impact resistant borosilicate glass

MaxLite Makes It!
